

YOUR OWN TEXT SITUATION

(1) Below describe a real situation you have coming up soon for one of your college classes. Use the format used for the text situations today. Include the course, a specific reading assignment or exam over the readings, what the professor expects you to know and/or do, and when it is due. Then tell what you would do to prepare well for your text situation and why you would choose those strategies.

<p>(2) Which strategies would you use to meet the demands of the above situation?</p> <p>(Adapt the strategies as needed to fit this purpose.)</p>	<p>(3) Why would you choose each of these strategies?</p> <p>(Discuss the value of using this strategy in this situation.)</p>
